

Online Ordering:

1. Browse the website and add your chosen backing track/s to the Shopping Cart.

For multiple tracks, continue adding the selections before clicking on the View Cart / Checkout link.

2. Once your selection is complete, click on the View Cart / Checkout link.

3. Follow the instructions and enter your Billing Information. Your shipping address must be provided for all purchases (including MP3 downloads) as the system uses this information as an extra security check to verify that you are the credit/debit card holder, and that your card isn't being misused.

4. Choose your preferred Delivery Method and Format Required (MP3 download or CD).

5. Add a note to us in the 'special instructions' screen if you require any backing track amendments, e.g. guitar removal, key changes, etc. Unless specified otherwise, tracks are supplied with complete instrumentation and in the original production key.

6. Select your Payment Method and follow the on-screen instructions to complete your Order. Payments are processed securely using Worldpay - all major credit and debit cards are accepted. We also offer secure online payment via Paypal. A PayPal account is not required to use this facility.

Please note: MP3 backing tracks - A download link will be provided for the tracks and lyric sheets once the order has been completed and prepared.
